Adjustable lumbar moves up to 5" vertically for proper support.

The arms adjust 2" vertically and also move in and out for additional comfort and support.

Articulating arms adjust for height and width and rotate forward to help support arms, shoulders and neck.

Anatomically contoured seat with WonderFoam® relieves pressure.

Forward-tilt with lock provides an optimal position with total support for many tasks.

Executive chairs also lean backwards for relaxed conversation and reading.

All metal base with your choice of traditional heavy duty casters or casters designed for hardwood floors.

ORDERING NOTES

Selecting Upholstery

To order a chair in a specific upholstery offering, add the appropriate suffix to the end of the product number. Each upholstery option can be viewed in the binder fabric cards.

Selecting Fixed Arms

To order a chair with the Fixed Arm option, drop the "20" designation at the end of the product number and substitute a "00" in its place.

Selecting Articulating Arms

To order a chair with the Articulating Arm option, drop the "20" designation at the end of the product number and substitute a "30" in its place.

Adding Air Lumbar

To order a chair with the factory installed internal air lumbar you must also order the optional air lumbar, #7513.
